

Tube-Mini

ARCBRO Portable CNC Pipe Cutter

Cutting Diameter 25-250mm !
Entry-Level Solution !!

Revolutionary New Style

Through USB Port ! Input and output the NC program simply.

View our website: www.arcbro.com for more details !

- Economically priced—great choice
- Independent controlling system of Tube-Mini, decrease electromagnetic interference
- Easy to use programming software – no special skills required.
- Light weight, easy operation, convenience to move
- One person performs all cutting and handling operations
- Safe, efficient material handling uses variable speed
- High precision and more stability
- Programming and flame/Plasma cutting both.
- Simple and stable THC equipment
- Large pre-loaded cut library

Tube-Mini

ARCBRO Portable CNC Pipe Cutter

A Revolutionary Portable CNC Pipe Cutter

The new ARCBRO Tube-Mini is a new style CNC Pipe Cutting Machine, Offering an economical, entry-level CNC pipe-cutting solution in a compact footprint.

The new ARCBRO Tube-Mini is a portable pipe cutting machine with 2-axis, having a suitable pipe cutting diameter, 25mm – 250mm, a length of up to 3000mm (10-feet), extendable, as long as you wish.

ARCBRO Tube-Mini have a low investment and save your money and room.

Technical Parameter

Range of Diameter: 25 - 250mm

Simple setup, Simple operation, Best Service

Featuring a smart design is the standard for Tube-Mini machines and powered by CNC controller, ARCBRO's exclusive Windows®-based operating system with library, the TSP improves pipe fabrication productivity and quality by consolidating set-up, programming and cutting into one operation.

Once the pipe is loaded, programming consists of simply inputting pipe dimensional data and selecting the types of cuts from ARCBRO's cut library. The menu-driven operating system is easy to use and doesn't require highly skilled operators. ARCBRO's controller is also available USB key for use on any computer and is compatible with many CAD/CAM packages with the cutting software converter.

ARCBRO supply for the Tube-Mini with world-class service and support.

Tube-Mini Pipe CNC Cutting Machine

Type	2-axis
Input Voltage	220V (optional)
Frequency	50/60 HZ
Input Power	800W
Display	Color LTD 7.0 inch
Cutting Speed	0 - 5000mm/min
Movement Speed	0 - 6000mm/min
Cutting Mode	Plasma and Flame(optional)
Automatic Torch Height Control	Arc Voltage
Cutting Pipe Diameter Range	Φ25 - 250mm (can be customized)
Request the Pipe Ellipse	≤ 1%
